RESIDENTS CONCERNS

Residents of Wayland were present with concerns of the trash at property in Wayland. The owner had two dumpsters brought in to clean up but they are full and more trash has been dropped off. David Duncan, Zoning inspector, reported to the residents that the problem has been addressed and the owner has been contacted. David Duncan will be contacting the owner again to see what progress is going to happen in the future. The residents reported that more trash has been hauled in. David Kemble repeatedly assured the residents that the Trustees are aware of the problem and measures are being taken to hopefully get the mess cleaned up.

LOT ON NEWTON FALLS ROAD

Ray Sheets, a resident, is concerned about someone building on a very small lot on the dead-end portion of Newton Falls Road. David Duncan insured Mr. Sheets that no one has pulled a permit to build a house on the small lot.

ZONING LETTERS

David Duncan reported sending a letter to Bill Krimmer asking about the burned house on Newton Falls Road. A letter was also sent to 6429 McClintockburg Road about a make shift tent and someone living in it.

BASEBALL PORT-A-POTTIE

Ed Samec brought up, for Dorene Spicer, that port-a-pots for the baseball fields would be delivered. Ed Samec mentioned that the port-a-pot delivered is not handicap and check into a handicap port-a-pot instead of a regular one. It would be \$100/mo. A resident suggested that the township pay the different of a regular port-a-pot to a handicap one. This was tabled until the next meeting.

BALL PARKING

Chief Reed brought up the ball parking issue. People are parking in the fire lanes and if a fire call were to come in the trucks would not be able to get out. Fred Shaulis is going to put up no parking signs “fire lane” in hopes that the ball visitors will park over in the overflow parking.

Upon no further discussion Ed Samec made the motion to adjourn this meeting, seconded by David Kemble. Roll Call: Ed Samec, yes; David Kemble, yes; Dorene Spicer, absent; Motion Carried.
