Due to Trustee vote, everything since 2008 is void so going forward, the zoning board will work with the 2008 book of zoning resolutions.

Discussion of definition: Accessory Use Building – considering adding “including but not limited to cargo/Shipping containers) Board members in agreeance to delete but no motion made at this point

Discussion on 304.7.1 definition of Private Garages and Accessory Buildings Should this be eliminated completely? Board members in agreeance to delete but no motion made at this point

Greg proposed that we table the effort to rework what was in the changes since 2008 and work on how we educate the community. Discussion followed

Kara proposed that we parallel path this with efforts to change education. More discussion

Greg mentioned that Brimfield does a good job with their website and Facebook page.
